

Webpage/Content	Lowest Quality Justification	PQ Rating and Explanation
<p>Lowest: Auto-generated bulldog wrinkle wipes</p> <p>This page claims to list the best bulldog wrinkle wipes and uses affiliate links.</p>	<p>Untrustworthy, Spammy</p> <ul style="list-style-type: none"> • Inadequate information about the website or content creator for the purpose of the page • Deceptive page design • Content created with little to no effort, talent, skill, originality, manual curation, or added value for users 	 <p>The MC on this page is copied with little or no time, effort, expertise, manual curation, or added value for users.</p> <p>Looking at the content at the bottom of the page and exploring other pages on the website, it is clear that each page is created automatically using content from Amazon and substituting different product names into a generic template. There appears to be little to no manual editing or curation on this page.</p> <p>The true purpose of this page is to bring users seeking information about products to this website in hopes that they will click and order products by clicking on Amazon affiliate links. This website does not have a beneficial purpose for users but rather was created to benefit the creator of the website. Though the website discloses that they use affiliate links, the site offers no added value for users.</p> <p>As with many deceptive websites, there is no information about who is responsible for this website.</p>
<p>Lowest: Viagra copied content</p> <p>This looks like an information website for the drug Viagra.</p>	<p>Untrustworthy, Spammy</p> <ul style="list-style-type: none"> • Inadequate information about the website or content creator for the purpose of the page • Deceptive page design • Content created with little to no effort, talent, skill, originality, manual curation, or added value for users 	 <p>Information about prescription drugs could significantly impact a person's health. This page is on a YMYL topic.</p> <p>All MC on this page is copied with little or no time, effort, expertise, manual curation, or added value for users. Here is the original source.</p> <p>Exploration of the pages on this website are similarly created with little expertise or value added for users.</p> <p>The true purpose of this page is to bring users seeking information about Viagra to this website in hopes that they will click on the "order now" link. The "order now" link goes to another website and is likely monetized. Therefore, this website does not have a beneficial purpose for users but rather was created to benefit another website.</p> <p>As with many deceptive websites, there is no information about who is responsible for this website.</p>
