The Crane Wife 3 Song by The Decemberists Overview Lyrics Listen Analysis And under the boughs unbowed All clothed in a snowy shroud She had no heart, so hardened All under the boughs unbowed Each feather it fell from skin 'Til threadbare, as she grew thin How were my eyes so blinded? Each feather it fell from skin And I will hang my head, hang my head low And I will hang my head, hang my head low A gray sky, a bitter sting A rain cloud, a crane on wing All out beyond horizon A gray sky, a bitter sting And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low And I will hang my head, hang my head low Source: LyticFind Songwriters: Colin Meloy The Crane Wife 3 lyrics © BMG Rights Management	FallsM SM MM HM FullyM	The result has exactly what the user wants, displaying the lyrics to the specified song clearly and completely inside the result block, and comes from a source with high E-E-A-T for this topic.
